LINCOLN STRATFORD

Standard glass windshield for a smooth, quiet ride and a distinctive look.

The front commercial styled headliner provides 4 inches of additional interior head room.

46.5" wide rear side doors provide easy access to the church truck and full size spare tire.

LINCOLN STRATFORD

The Stratford features functional and stylish interior amenities including cloth upholstery, embroidery, six LED overhead lights, and durable and functional hardware for years of distinguished service.

The Stratford features a chrome bumper protector along with a short carpet protector, and a stainless steel sill plate.

Under floor storage abounds for the full size spare tire, church truck, umbrellas – all tastefully concealed, yet readily accessible.

Functional, polished aluminum, drip rails over all five doors channel water away from door openings.

Switch activated suspension with automatic airbag recovery reduces load height for easy loading.

A casket door opening width of 42" by 37.5" high, opens to a large, 116" by 45" casket floor.
