

# “Size does matter... an additional 8” of legroom”

*Federal Coach extends the Cadillac DTS to the max!* While competitors loose the integrity of the OEM door by modifying and stretching the door itself, we offer 8” while maintaining the OEM door and providing larger sail panels for the privacy, protection and safety of the rear seat occupants. A simple stretch leads to less complications.

## Federal Coach's DTS L8 Long Wheelbase Sedan provides:

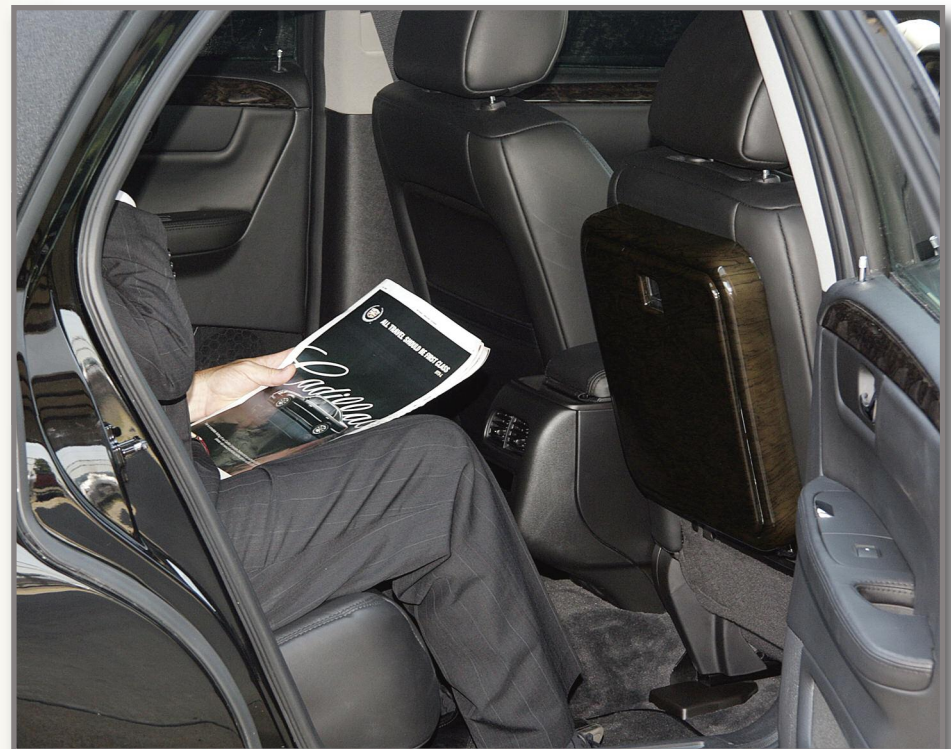

- A full 8” wheel base extension
- OEM doors for strength and reliability
- OmniDirectional rear seat lighting
- Full Vinyl Roofs
- Rear Seat outboard armrests

*New!*
